

## ARSEV UMUR AYDINOĞLU

Associate Professor  
Science and Technology Policy Studies  
Middle East Technical University  
Ankara, Turkey - 06800  
+90 312 210 2387  
aaydinog@metu.edu.tr

<http://sites.google.com/site/arsevumurraydinoglu/>

---

### RESEARCH INTERESTS

Research collaboration, interdisciplinary studies, teamwork, virtual teams, research data management, bibliometrics, astrobiology, origin(s) of life, design thinking, science communication, science and technology studies, quantum information technologies, complex adaptive systems theory.

---

### EMPLOYMENT

**Associate Professor** – Middle East Technical University, Science and Technology Policies (2017 – present)

**Instructor** – Middle East Technical University, Design Factory (2016-present)

**Tübitak-Marie Curie FP7 CoFund Fellow** – Middle East Technical University, Research Center for Science and Technology Policies (2014-2016)

**NASA Postdoctoral Program Fellow** – NASA Astrobiology Institute (2012-2014)

**Visiting Assistant Professor** – University of South Carolina, School of Library and Information Science (2011)

**Graduate Assistant** – University of Tennessee, College of Communication and Information (2008 - 2011)

**Public Information Assistant** – World Bank Turkey Office (2003-2007)

---

### EDUCATION

**PhD, Communication and Information Science** (2011), University of Tennessee, USA

Dissertation: *“Complex Adaptive Systems Theory Applied to ‘Big Science’: The Case of DataONE”*

Dissertation Committee: Suzie Allard (Information Science), Carol Tenopir (Information Science), Virginia Kupritz (Communication Studies), and Heather Douglas (Philosophy).

**MSc, Public Relations and Information** (2006), Gazi University, Turkey

Thesis: *“Grunig’s Public Information Model: An Application by Turkish Armed Forces”*

**BSc, Economics** (2001), Hacettepe University, Turkey

---

#### INVITED PRESENTATIONS AT TECHNICAL AND PROFESSIONAL MEETINGS

1. **Aydinoglu, A.U.** (2024). Nitel Araştırma Desenleri. [Presentation delivered at the 32. Ulusal Yönetim ve Organizasyon Kongresi, 2024, May 22-24, Giresun, Turkey.]
2. **Aydinoglu, A.U.** (2024). Akıllı şehirlerde veri mahremiyeti riskleri. [Presentation delivered at the Araç Teknolojilerinde “Yeşil ve Mavi Dönüşüm” Mobilite Çalıştayı 2024, April 25, Istanbul, Turkey.]
3. **Aydinoglu, A.U.** (2024). Decoding the discourse: Public perception of quantum technologies on Twitter through text analysis. [Presentation delivered at the Responsible Quantum Technologies 2024, 16-18 April, Karlsruhe, Germany.]
4. **Aydinoglu, A.U.** (2023). The need for science communication in quantum technologies. [Presentation delivered at the Responsible Quantum Technologies 2023, 27-28 July, Karlsruhe, Germany.]
5. **Aydinođlu, A.U.** (2023). Bilim İletişiminin Faydaları ve Zorlukları. [Türkiye’de Bilim Tarihi Eğitimi ve Araştırmaları Sempozyumu, 13-14 Ekim, İstanbul, Türkiye.]
6. **Aydinoglu, A.U.** & Sahinol, M. (2023). STS in ethics education. [Presentation delivered at the Ethics4Challenges Workshop, 27-28 April, Athens, Greece.]
7. **Aydinođlu, A.U.** (2023). Technology and Society: Technology Assessment. [Presentation delivered at the Political Leadership Excellency Program, March 24-26, 2023, İstanbul, Türkiye.]
8. **Aydinođlu, A.U.** (2022). Tasarım Odaklı Düşünmeye Giriş. [Keynote speech delivered at the Educating Designerly Thinkers for Vocational Education and Training: Design Thinking Tool for Educators DT4VET Kapanış Semineri, 31 October 2022, online.]
9. **Aydinoglu, A.U.** (2022). Interdisciplinary Research Collaborations as Complex Adaptive Systems. [Online presentation at the George Mason University Computational and Data Sciences Colloquium, February 8, 2022, Washington, D.C., USA.]
10. **Aydinoglu, A.U.** (2022). Ötegezegen araştırmalarının bibliyometrik analizi: Disiplinlerarası bir yaklaşım. [Çevrimiçi sunum, Yıldız Teknik Üniversitesi Biyoteknoloji ve Genetik Klubü Astrobiyoloji Konferansı, 5-6 Şubat 2022, İstanbul, Türkiye]

11. **Aydinoglu, A.U.** (2021). Introduction to Science Communication. [Online seminar presentation at the Mini-course on Technological Innovation, British Embassy, Ankara, Turkey.]
12. **Aydinoglu, A.U.** (2021). Introduction to Design Thinking. [Online seminar presentation at the Mini-course on Technological Innovation, British Embassy, Ankara, Turkey.]
13. **Aydinođlu, A.U.** (2019). Tasarım Fabrikası: Disiplinlerarası Tasarım Stüdyosu. [ODTÜ STEAM Günü'nde konuşma]
14. **Aydinođlu, A.U.** (2017). METU Design Factory & Interdisciplinary Design Studio. [Seminar given at the Informatics Institute, Middle East Technical University, Ankara, Turkey]
15. **Aydinođlu, A.U.** (2016). Araştırma Verilerinin Yönetimi: Türkiye. [5. Ulusal Açık Erişim Konferansı, Ankara, Türkiye.]
16. **Aydinoglu, A.U.** (2015). *Complex adaptive systems framework for virtual teams*. [Business Administration MARC Seminar given at the Middle East Technical University, Ankara, Turkey.]
17. **Aydinoglu, A.U.** (2015). *Collaborative practices in astrobiology research: The NASA Astrobiology Institute*. [NASA Postdoctoral Program Alumni Seminar given at NAI at NASA Ames, Moffett Field, CA, USA.]
18. **Aydinoglu, A.U.** (2014). *What is interdisciplinary research: Challenges and facilitators in collaborative research?* [Seminar given at the Graduate School of Social Sciences Lecture Series at the Middle East Technical University, Ankara, Turkey.]
19. **Aydinoglu, A.U.** (2014). *Multidisciplinarity in Forensic Sciences*. [Invited panel speaker at the 1<sup>st</sup> International Forensic Biology and Genetics Congress at Ankara University, Ankara, Turkey.]
20. **Aydinoglu, A.U.** (2014). *Cross-disciplinary research in the U.S.* [Invited panel speaker at the "Crossing Scientific Borders" event at the Middle East Technical University, Ankara, Turkey.]
21. **Aydinoglu, A.U.** (2013). *Knowledge transfer in the NASA Astrobiology Institute*. [Invited panel speaker at the National Organization of Research Development Professionals Annual Development Conference in Austin, TX, USA.]
22. **Aydinoglu, A.U.** (2012). *Research Networks: Insights from the NASA Astrobiology Institute and DataONE*. [Seminar given at METU-TEKPOL (Science and Technology Policies Center).]
23. **Aydinoglu, A.U.** (2012). *Data Usage: Current practices and perceptions*. [Presentation made at the Astrobiology Science Conference (AbSciCon) 2012 in Atlanta, GA, USA.]
24. **Aydinoglu, A.U.** (2011). *The emergence of multidisciplinary and multi-institutional scientific collaborations: DataONE case study*. [College of Communication and Information Doctoral Colloquium, University of Tennessee, Knoxville, TN.]

---

## WORK IN PROGRESS

**Aydinoglu, A.U.** Interdisciplinary Education in Astrobiology.

## **RESEARCH EXPERIENCE**

European Commission

Erasmus+ KA220

Innovative Ethics Education for Major Technological and Scientific Challenges (Ethics4Challenges) (2023-Ongoing)

- I am conducting the qualitative research component of the E4C via focus groups with representatives from academia, industry, and NGOs in order to understand the challenges in ethics training.

European Commission

Horizon Europe

HORIZON-STE: Implementation of the Initiative for Global Leadership in Solar Thermal Electricity (2019-2023)

- I completed a bibliometric assessment of solar thermal electricity research in Turkey.

European Commission

FP7

The Future of EU-Turkey Relations. Mapping Dynamics and Testing Scenarios (2016-2019)

- I was part of the research activities in Turkey.

METU

BAP Grant

Mükemmeliyet Merkezleri; Japonya Örneği (2018-2020)

- I investigated The World Premier International Research Center Initiative (WPI Program) in Japan using bibliometric techniques.

Earth-Life Science Institute, Tokyo Institute of Technology

EON/ELSI Seed Grant

(2016-2018)

- I conducted a bibliometric analysis of ELSI, part of the World Premier International Research Center Initiative that studies the origin of Earth and life.
- I investigated the ELSI Origins of Life Research Network (EON), an interdisciplinary and international research network, through bibliometric measures and network analysis.

TUBITAK-Marie Curie Co-funded Brain Circulation Scheme

EScience in environmental research: An assessment for an integrated research agenda for Turkey (2014-2016)

- I conducted a multilevel assessment (behavioral, policy, and technological) of Turkish environmental scientists' research data management practices (store, share, reuse) and developing a roadmap for Turkey.
- Together with Asst. Prof. Pinar Kaygan, we investigated interdisciplinary research and education at the Interdisciplinary Design Studio that took place at the Design, Technology, and Innovation Center (TIM), METU.

NASA Postdoctoral Program Fellow, NASA Astrobiology Institute (NAI)  
Collaborative Practices at the NASA Astrobiology Institute  
2012-2014

- I investigated NAI's collaborative practices and assessed the interdisciplinary interaction among NAI teams and researchers to provide insight and recommendations for their evolution and improvement, particularly with respect to remote communication, data sharing and analysis across distance, collaborative problem solving, interdisciplinary science, and institutional identity.

Visiting Assistant Professor, University of South Carolina, School of Library and Information Science

- I coordinated a qualitative job market study with Undergraduate Program Advisor using the alumni network of the School to explore the skill set needed from our graduates in the job market. The findings are used to update the Bachelor of Science in Information Science Program.

Research Assistant for the Center for Information and Communication Studies, University of Tennessee:

- DataONE, Fall 2009 & Spring 2011
- I assisted Dr. Carol Tenopir and Dr. Suzie Allard on baseline assessment surveys on scientific data management practices with different stakeholders: i) scientists, ii) librarians, and iii) libraries.
- User Experience Lab, Summer & Fall 2009  
In this lab, researchers can study how people use computers and engage with the Internet. My responsibility was helping the researchers and subjects using the facility and software.
- National Science Foundation (NSF) Grants, Spring & Fall 2008  
My responsibility was comparing the newly announced NSF grants to the research interests of the faculty in order to identify possible grant opportunities for the College.

---

## **TEACHING EXPERIENCE**

### **As Principal Instructor**

#### ***Technology Assessment and Responsible Research and Innovation***

Graduate class in Science, Technology and Society Department, Middle East Technical University, since Fall 2022

This course is about how to conduct technology assessment and consider the role and responsibility of stakeholders in research and innovation. Class size: 15

#### ***Bibliometrics***

Graduate class in Science, Technology and Society Department, Middle East Technical University, since Fall 2018

This course is about bibliometrics, scientometrics, social network analysis, and academic evaluation. Class size: 10

#### ***Science Communication***

Master's class in Science, Technology and Society Department, Ankara University, Fall 2018

This course is about the study of science communication, history of science communication, and current practices in Turkey. Class size: 12

#### ***Knowledge, Science and Technology in Information Age***

Graduate class in Science and Technology Policies, Middle East Technical University, since Fall 2018

This course is about the study of how knowledge, science, and technology shape and are in turn shaped by society. Class size: 20

### ***History of Science and Technology***

Graduate class in Science and Technology Policies, Middle East Technical University, since Spring 2018

This course is the study of the genesis and historical trajectory of the modern science and technology. Class size: 10

### ***Qualitative Research Methods in Science and Technology Studies***

Graduate class in Science and Technology Policies, Middle East Technical University, since Spring 2015

This course addresses both the practical “how to” dimensions of qualitative methodology, and the epistemological and theoretical commitments and stances that are tied to these methods. Class size: 10

### ***Technologies for Information Retrieval***

Minor in Information Studies and Technology Program, University of Tennessee, Fall 2009 (traditional class), Spring 2010 (online class)

I designed and taught undergraduate level class on information technology for students who are having a minor in information studies. Topics included hardware, application and system software, the Internet and World Wide Web, communications, societal issues, and database management. Class size: 20

### ***Public Speaking***

Communication Studies, University of Tennessee, Fall 2008, Spring 2009

I taught Public Speaking class for undergraduate students; lectured to advance the knowledge of public speaking process and evaluated six public speeches for each student.

Topics include self-introduction speech, informative speech, persuasive speech, special occasion speech, doing research for speeches, and using technology for speeches. Class size: 20

### ***Web Site Design and Maintenance, and Library Database***

- World Bank West Bank and Gaza Office, May 2006  
Taught e-publishing software to the communication staff at the World Bank Office in Jerusalem.
- World Bank Turkey Office, September 2006, February 2007, May 2007, July 2007  
Taught the use of library database software to information staff at the World Bank Office in Ankara and the Economic Policy Research Foundation of Turkey (TEPAV).

### **As Co-lecturer**

#### ***Design Thinking in Technological Innovation Management***

Continuous Education Center, Middle East Technical University, every semester since Fall 2020. My module for this program covered Design Thinking methodology. Class size: 21

#### ***Interdisciplinary Teamwork in Design Thinking***

Interdisciplinary Design Studio, Middle East Technical University, Fall 2015 - present. My modules for this Studio covered interdisciplinary collaborative work, conflict management, and public speaking. Class size: 25 to 45

#### ***Research Methods in Science and Technology Studies***

Science and Technology Policies Program, Middle East Technical University, Fall 2014. My module for this graduate level class was about the epistemological aspects of social science research and case study research design. Class size: 17

### **As Guest Lecturer**

#### ***Design Management***

Department of Industrial Design, Middle East Technical University. Fall 2015. In this graduate course, I discussed the importance of collaboration and teamwork in design process, and barriers to and facilitators of collaborative work.

#### ***Architectural Research Studio***

Department of Architecture, Middle East Technical University, Fall 2015. For this master's level class, I lectured on what is life, different life forms on Earth, astrobiology, and possible life forms in the universe.

#### ***Industrial Design III***

Industrial Design, Middle East Technical University, Fall 2015, 2016, 2017. The subject was teamwork in design projects. Students learned how teams evolve, understood other team members' role, improved their communication skills, and conducted teamwork exercises.

#### ***Recent Trends in Science and Technology Policy Making***

Science and Technology Policies Program, Middle East Technical University, Fall 2014. I lectured on interdisciplinary research (IDR) and how funding agencies measure and develop policies to support IDR.

#### ***Doctoral Seminar in Communications Culture and Technology***

Communications Media and Instructional Technology, Indiana University in Pennsylvania, Spring 2013. I lectured on interdisciplinary research, approaches to cross-disciplinarity, challenges and benefits in interdisciplinary research.

#### ***Sustaining Scientific Collaborations***

Earth System Modeling and Supercomputing, NASA Ames Research Center, Summer 2012. In this two-week NASA Short Summer School, I lectured on how scientific collaborations emerge, behave, and are evaluated.

#### ***Communication and Information in Science, Technology, Engineering, and Medicine (STEM)***

Communication and Information Sciences Program, University of Tennessee, Fall 2009 & Spring 2011. This doctoral course explores the role of communication and information in each of these domains. I discussed the role of data in scientific development in Fall 2009 and the impact of virtual scientific collaborations in research in Spring 2011.

### **Information Science – Special Topics: Environmental Informatics**

Minor in Information Studies and Technology Program, University of Tennessee, Spring 2010.  
This class explore the intersection of environmental and information sciences by investigating the role of information and technology in environmental science. I covered scientists' data practices.

### **Public Speaking and Presentation**

ProjectGRAD Summer Institute, University of Tennessee, Summer 2009, Summer 2010, Summer 2011

Co-instructed Communications track by teaching Public Speaking to high school students in ProjectGRAD Summer Institute, which is an effort to prepare disadvantaged students to academic life. Class size: 20.

### **As Coordinator for Curriculum Development**

Bachelor of Science in Information Science Program, University of South Carolina, Fall 2011  
I worked with graduate teaching assistants to develop new courses for the undergraduate program in the School of Library and Information Science and evaluated their teachings.

---

### **THESIS & DISSERTATION ADVISED**

1. Master's Thesis – Betül Yılmaz (2024). Gig Economy in Public Policy: An Application of the Delivery Sector in Türkiye.
2. Master's Thesis – Esra Ergün Güler (2022). Opportunities for Linking Global Value Chains Research to Policy-Making in Türkiye: A Bibliometric Analysis.
3. Master's Thesis – Ayşe Işılak (2022). Turkey's Integration to Research Networks and Research Networks' Effects on Scientific Studies: The Case of METU
4. Master's Thesis – Gökçe Nuhoğlu (2022). Creating Collaborative Research Environment in High Performance Computing: An Analysis of Turkey.
5. Master's Thesis – Şehnaz Kart (2022). Safe Energy Relations: Unfolding the Precautionary Principle with the Advent of Hydrogen Technologies.
6. Master's Thesis – Cansu Korkmaz (2022). Women in Space Studies in Turkey: Proposition of Science and Technology Policies to Eliminate Gender Discrimination.
7. Master's Thesis - Serra Baykal (2021). Design and Proposition of Technology Policies to Diffuse Greenhouse Technologies in Turkey: A Case for Speaking Plant Approach.
8. Master's Thesis – Beyza Coskun (2021). Fablabs and Their Contribution to Sustainability in the Context of Socio-Technical Systems.
9. Ph.D. Dissertation co-advised with Yeşim Aydın Son – Özlem Özkan (2018). Essential Design Components of Genetic Data Enabled Mobile Personal Health Record Systems.

### **PANELS, SEMINARS AND WORKSHOPS**

Çalıştay Organizatörü. “Dijital Sürdürülebilirlik İçin Hukuk, Ekonomi ve Teknoloji Perspektifinden Strateji Çalıştayı.” ODTÜ TEKPOL – Özyeğin Üniversitesi, 2023, Ankara, Türkiye. Diğer Organizatörler: Özlem Yenerer Çakmut, M. Teoman Pamukçu, Erkan Erdil, Semih Akçomak, Başak Ozan Özparlak, Müge Çetin.

Çalıştay Organizatörü. “Türkiye’de ve Dünyada Kuantum Teknolojilerinin Geleceği” Workshop. ODTÜ TEKPOL, 2023, Ankara, Türkiye. Diğer Organizatör: Zeki Can Seskir, Karlsruhe Institute of Technology.

STS TURKEY Kış Okulu Düzenleyicisi & Eğitmeni. “Bilim İletişimi” – Türkiye Bilim ve Teknoloji Çalışmaları Ağı Kış Okulu 2021, İstanbul, Türkiye. Diğer Organizatörler: Erkan Saka, Bilgi Üniversitesi;

Melike Şahinol, Orient Institute Istanbul; Emine Onculer Yayalar, Bilkent University; Şafak Kılıçtepe, Ahi Evran Üniversitesi; Ali Oğulcan İlhan, Özyeğin Üniversitesi.

STS TURKEY Kış Okulu Düzenleyicisi & Eğitmeni. **“Disiplinlerarası Çalışmalar”** – Türkiye Bilim ve Teknoloji Çalışmaları Ağı Kış Okulu 2020, Ankara, Türkiye. Diğer Organizatörler: Melike Şahinol, Orient Institute Istanbul & Emine Onculer Yayalar, Bilkent University.

Co-organizer. **“Experimental Pedagogies of Science and Technology Studies”** Workshop. STS TURKEY, 2020, Ankara, Türkiye. Co-organizers, Emine Onculer Yayalar, Bilkent University; Asli Calkivik, Istanbul Technical University.

STS TURKEY Kış Okulu Düzenleyicisi & Eğitmeni. **“Bilim İletişimi”** – Türkiye Bilim ve Teknoloji Çalışmaları Ağı Kış Okulu 2019, İstanbul, Türkiye. Diğer Organizatörler: Melike Şahinol, Orient Institute Istanbul & Harun Kaygan, ODTÜ

Speaker. **“Bilim İletişimi”** – TÜBİTAK Bilim ve Toplum Daire Başkanlığı, 2018, Ankara, Türkiye.

Co-organizer. **“Araştırma Verilerinin Yönetimi Eğitimi”** – TÜBİTAK ULAKBİM, 2017, Ankara, Türkiye. Co-organizers, Güleda Doğan & Zehra Taşkın, Hacettepe Üniversitesi.

Co-organizer. **“Science and Technology Studies Turkey (STS TURKEY) Network Founding Meeting”** – Orient-Institut Istanbul, 2017, Istanbul, Turkey. Co-organizers, Melike Sahinol, OII & Harun Kaygan, METU.

Participant. **“Design Factory Bootcamp 2016”** – Aalto University Design Factory, 2016, Espoo, Finland.

Participant. **“Hasso Plattner Institute Design Thinking Workshop”** – METU Design Factory, 2016, Ankara, Turkey.

Participant. **“ELSI Origins of Life Network (EON) Roadmap Workshop”** – Tokyo Institute of Technology, 2015, Tokyo, Japan.

Workshop co-organizer & presenter. **“Research Data Management in Astrobiology”** – the Astrobiology Science Conference 2015, Chicago, IL, US. Co-organizer, Estelle K. Dodson, NASA Ames.

Workshop organizer & presenter. **“Research Data Management: Getting Your Organization Started”** – the 5<sup>th</sup> International Symposium on Information Management in a Changing World, Antalya, Turkey, 2014.

Participant. **“An International Workshop on Research Data Management”** – Ankara, Turkey, 2014.

Session organizer. **“The insider, the embedded, and the independent: Three perspectives on interdisciplinary collaborative astrobiology research”** – the 5<sup>th</sup> Annual International Science of Team Science Conference in Austin, TX, USA.

Panel Chair, Panelist & Session Organizer. **“The Question is not ‘Are We Alone?’ but ‘Are We Ready?’ The Impact of Astrobiological Discoveries”**. The Annual Conference of the Society for the Social Studies of Science in San Diego, CA, USA, 2013. Other speakers included Margaret Race, SETI Institute; Brian P. Green, Santa Clara University; Linda Billings, National Institute of Aerospace; Kala Perkins, American Jewish University.

Participant. **“Sci2: A Tool of Science of Science Research and Practice Workshop”**. The 4<sup>th</sup> International Science of Team Science Conference, Evanston, IL, USA, 2013.

Workshop Instructor & Organizer. **“Science Communication for the authors of Science and Technology Journal”** – Ankara, Turkey, 2013. Presenter for the following sessions: (1) Introduction to Science Communication; (2) Interviewing Scientists; (3) Scientific Information Seeking for Science Journalists. Other presenters included Suzie Allard, Bob Legg, and Dave Brill, University of Tennessee.

---

#### **FELLOWSHIPS, AWARDS, AND HONORS**

EON/ELSI Seed Grant 2016 – awarded by the Earth-Life Science Institute, Tokyo Institute of Technology

Co-funded Brain Circulation Scheme 2013 – awarded by the Scientific and Technological Council of Turkey (TÜBİTAK) and the Marie Curie Action COFUND of the 7<sup>th</sup> Framework Programme (FP7) of the European Commission

Outstanding Dissertation Award 2012 - awarded by the College of Communication & Information, University of Tennessee

NASA Postdoctoral Program Fellowship, 2012 – awarded by NASA.

Best Research Award 2010 - awarded by the College of Communication and Information at the 32<sup>nd</sup> Annual Research Symposium, University of Tennessee.

Reeder-Siler Scholarship 2008, 2009, and 2010 – awarded by the College of Communication & Information, University of Tennessee.

---

#### **MEMBERSHIPS**

- Science and Technology Studies Turkey (STS TURKEY)
- Blue Marble Space Institute of Science
- Science of Team Science (SciTS)
- Society for the Social Studies of Science (4S)

---

#### **EDITORSHIP**

*Libri* – *International Journal for Libraries and Information Studies*, *Advisory Editor*

---

#### **CONSULTANCY**

- *Researcher* – ENHANCER Project for International Centre for Migration Policy Development (2020-2021)
- *Instructor and Content Builder* for Xper<sup>eka</sup> Program – Technology Development Foundation of Turkey (2020-2021)
- *Instructor and Content Builder* for Xnovate Program – Technology Development Foundation of Turkey (2018-9)
- *Reviewer* for EU-funded Competitiveness and Innovation Sector Operational Programme (CISOP) – Ministry of Industry and Technology (2019)
- *Field Researcher* for Workplace Dialogue Program – Ethical Trading Initiative (2018-9)
- *Consultant* for Open Data & Aperta – TÜBİTAK ULAKBİM (2017-9)
